

Liaison roles to be appointed by the February meeting each year and each liaison will have an accompanying staff person for support. This may involve additional community meetings for members of the Committee.

10.0 JOINT MEETINGS

The Recreation, Culture, and Parks Advisory Committee recognizes the importance of discussing issues of concern and priority with neighbouring municipalities, external organizations, and community stakeholders.

Annually, the Committee should request to meet at least once with a peer committee(s) from one of the Township's neighbouring municipalities to discuss items of relevance and commonality.

11.0 RELATIONSHIP TO OTHER COUNCIL ADVISORY COMMITTEES

The Recreation, Culture, and Parks Advisory Committee may liaise with other Council Advisory Committees issue by issue.
